Membership Recruitment Incentive Program

PURPOSE:

Membership is the lifeblood of AGA. Without members, we cease to exist. To ensure a healthy, vigorous AGA, we need to continually seek new members

The Membership Recruitment Incentive Program aims to promote the AGA membership by providing an incentive to members who recruits new members. The Director, Assistant Director, or a designee of the Membership Committee are responsible for the promotion, execution and updating of the membership program.

PROGRAM AND APPLICABILITY:

Starting Program Year 2019 – 2020, the AGA Guam Chapter is sponsoring a scholarship raffle for eligible members who recruits two new members in this program year. Every time a member recruits two new members this program year, the member's name will be entered in a scholarship raffle to attend the upcoming AGA National Professional Development Training (PDT). The winner for this raffle will be announced during the month of May for this program year. In addition, the recruiting member gets a free general membership lunch and each accomplishment will be announced in the newsletter and the general membership meeting.

New Member is defined as a new applicant for AGA membership that is classified as any of the three types: 1) Young Professional, 2) Private Sector and 3) Government.

Membership Director or Assistant Director will certify that the new member is registered as an AGA Guam member once a notification from AGA National has been received or the new member's name appears in AGA National's membership listing for the Guam Chapter. The cut-off date to enter recruiting member's name in the raffle will be April 30 for each program year.

Each recruiting member's name is allowed to be entered up to two times during the program year's raffle event. This incentive program will be implemented each year only upon availability of funds.

REQUIREMENTS:

1. Must be an AGA Member in good standing
2. Must recruit two new members in order to qualify for the raffle
3. Must submit a copy of membership application of the new member
4. Must volunteer in at least one of AGA's community service project during the program year.
