

President's Message

AGA Guam Chapter by the Numbers

I would like to greet our members, their families and friends, Happy Holidays.

This month marks our six-month into the program year 2012-2013. Your Chapter Executive Committee (CEC) worked hard to ensure that each of our member will receive the benefit of being a member of the Chapter.

It has been a fruitful six months for the Guam Chapter and I owe this to the dedicated CEC officers and our energetic members who get involved with our community services and

educational events.

This newsletter recaps what the Chapter has accomplished during the last six months of this program year.

We are looking forward to the following events for the next six months:

- One-week CGFM intensive review course
- High-school essay contest on Accountability
- CGFM (March 2013) month celebration
- AGA and GSCPA Networking Event with UOG Students.

We invite our members to get involved not only with our Chapter

activities, but also with serving the Chapter either as an officer or a CEC member (chairperson/co-chair). Do let us know if you are interested.

Again, we wish you all a productive and life-changing new year.
