Håfa Adai!

The Association of Government Accountants (AGA) Guam Chapter is pleased to announce that it will be hosting its biennial Guam Professional Development Conference (GPDC), a three-day in-person conference on 8 to 10 February 2023, at the Westin Resort Guam. The Association of Government Accountants (AGA) Guam Chapter is a non-profit organization of almost 300 members dedicated to advancing government accountability.

Our theme for next year's conference is Finance 3.0: Beyond Financial Management. We have three training tracks: (a) accounting and auditing, (b) leadership excellence, and (c) technology and trends. The GPDC invited leaders from the business, academic, and government sectors as speakers and panelists to discuss accounting trends, current financial management issues, and leadership topics that participants will need to excel in the workplace and lead their finance teams.

We write today to invite you to support our event by becoming a conference sponsor. As a leader in the community, your support for the AGA Guam Chapter's GPDC presents an opportunity for your organization to not only receive exposure to our conference participants, business leaders, and finance professionals, but also to enhance the financial management profession and promote good governance. We ask for your support to consider becoming a conference sponsor. Enclosed is the sponsorship packet and benefits for your review and favorable consideration.

Your support will help us achieve our mission of advancing, growing and accelerating accountability in our island community.

The AGA Guam Chapter is pleased to present the multiple levels of sponsorships for your organization's favorable consideration.
