AGA National Professional Development Training (PDT) Scholarship Raffle for New Membership Recruitment Program

AGA Guam Chapter is sponsoring a scholarship raffle for eligible members who recruits two new members in this program year. Every time a member recruits two new members this program year, the member's name will be entered in a scholarship raffle to attend the upcoming AGA National Professional Development Training (PDT). The winner for this raffle will be announced during the month of May for this program year.

Each recruiting member's name is allowed to be entered up to two times during the program year's raffle event. The chances of winning in this PDT raffle increases when a member recruits more new members. This incentive program will be implemented each year only upon availability of funds.

For 2020, the AGA PDT will be held in Dallas, Texas on July 19 – 22. AGA's Professional Development Training (PDT) brings together a broad audience of more than 2,000 federal, state and local government financial professionals including, federal agency & state/local government CFOs, inspectors general, government accountants, auditors and financial professionals from the private sector. PDT offers over 100 educational sessions in the span of four training days, participants can earn up to 25 hours of continuing professional education (CPE) credits and/or 20 Professional Development Units (PDU's).
